

AHMED AMAN

Jaora, Madhya Pradesh, India | +91 7016-099-066 | ahmedaman.mail@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

TECHNICAL SKILLS

Languages: Python, SQL, HTML5, CSS3, C (basic)

Web / Frameworks: Django, Django REST Framework (DRF), Flask, Bootstrap

Databases: PostgreSQL, MySQL, SQLite, Django ORM

Automation: Bash Scripting, Selenium (Web Automation & Testing), Pytest Basics, Web Scraping, BeautifulSoup

Computer Vision: OpenCV (image processing fundamentals)

Tools & Platforms: Git, GitHub, Linux (Debian, Arch), Windows

Productivity: MS Office, LibreOffice, Adobe Photoshop

Core CS: Object - Oriented Programming, Data Structures, Algorithms, Problem Solving

Security Awareness: Cybersecurity fundamentals, phishing - simulation training

Productivity & Design: MS Office, LibreOffice, Adobe Photoshop

EXPERIENCE

Computer Science Teacher — Phoenix International School, Jaora, MP

Jun 2025 – Sep 2026

- Teach CS and programming fundamentals; design hands-on coding exercises and lesson plans for students.

PGT Computer Science Teacher & RS-CIT Tutor — HSS Sr. Sec. School, Beawar, Rajasthan

Apr 2023 – May 2025

- Delivered CS curriculum and state-certified IT (RS-CIT) coaching, building computer literacy and problem-solving skills.

Earlier Roles — Education & Administration — Rajasthan / Madhya Pradesh / Maharashtra

2015 – 2022

- Computer Teacher/Faculty, Computer Operator, and HR Executive roles spanning education, admin, and HR operations

PROJECTS

LibLink — **Library Management System** (*MCA Capstone*) | Python, Django, PostgreSQL

- Building a multi-tenant platform covering membership tracking, seat allocation, an admin dashboard, and analytics; designed relational data model with normalized SQL schema.

MIVA — **AI-Powered PC Assistant** (*In Development*) | Python, OOP, Ollama, Whisper, Kokoro

- Developing a voice-controlled desktop assistant integrating speech recognition, LLM-based command processing, and text-to-speech in a modular OOP architecture.

Personal Portfolio Website | HTML, CSS, GitHub Pages

- Built and deployed a responsive, terminal-inspired portfolio site; managed full deployment workflow with Git and GitHub Pages.

EDUCATION

Master of Computer Applications (MCA) — Vivekananda Global University *Jan 2025 – Jan 2027 (in progress)*

Bachelor of Arts (BA), General Studies — Maharishi Dayanand Saraswati University, Ajmer *Mar 2021 – Jun 2024*

CERTIFICATIONS

- Python, Django, DRF, Flask & Bootstrap - Tutedude - (Sep 2026)
- Certificate of Accomplishment - HackerRank (Jul 2026)
- Cybersecurity Virtual Job Simulation - Mastercard x Forage (Jul 2026)
- Software Development Job Simulation - Datacom x Forage (Jul 2026)
- "O" Level Certification (CS, Programming, IoT, Web Design) - NIELIT (Sep 2021 – Sep 2023)
- RS - CIT - Computer/Information Technology - VMOU, Kota (2017)
